I know you are able
to help me and will
do it too, I know
the load weiver

but what I want
will not be any expence

to send me some old clothes that you don't wear, shoes, under wear, or old top clothes, they will be highly appreciated with me. And if your son have any old things, tell him to put them in too, and send them, I'll be glad to get any thing you can wife send. ~~mail it to me in a~~
letter, just what you all
can send I will thank
you all for it. I wish
I could see the old
home place and see
you. And all the other
white friends, but if
the Lord spares me
I will see you all in spring
